

St Christopher's The Hall

A New Playground to Inspire, Play and Thrive

We are excited to reveal the vision for our new Pre-Prep playground at St Christopher's – a dynamic and engaging space designed to inspire and support all pupils. A well-designed playground is far more than just an area for play; it is essential for children's physical, social, and cognitive development.

Discover Our New Playground Adventure!

Trim Trails

The exciting new play equipment and trim trails will challenge pupils physically, helping them build strength, balance, and coordination while promoting healthy, active play.

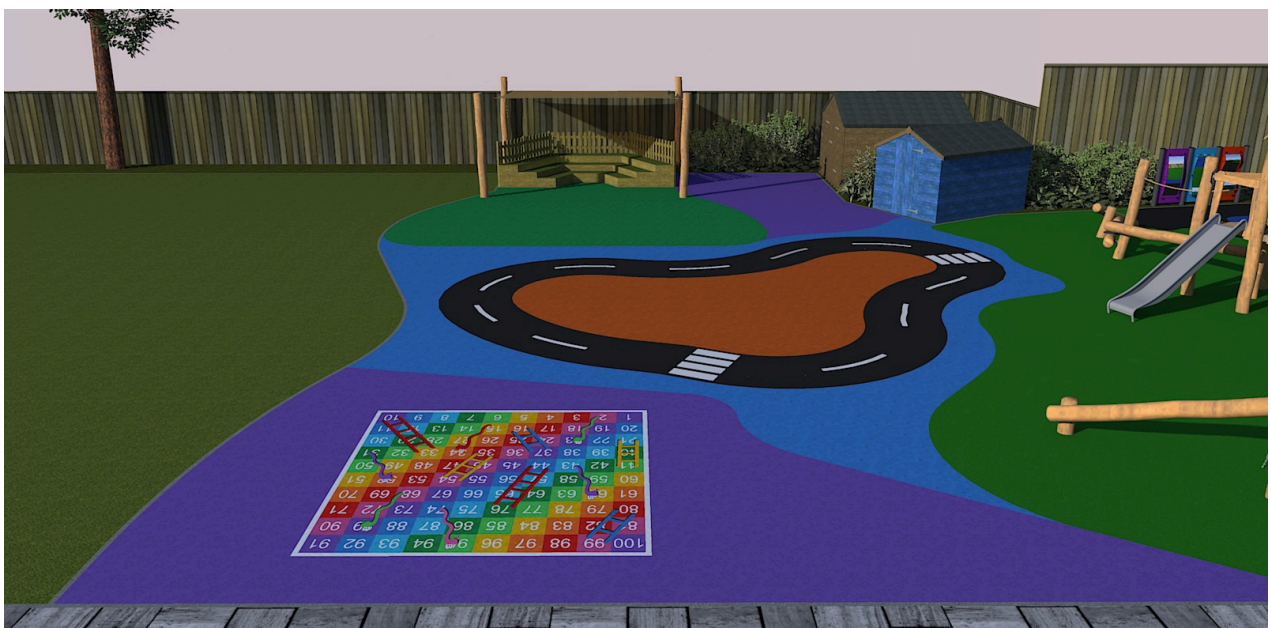

Sensory Area

Our new playground will feature a dedicated sensory area, offering pupils the chance to explore various interactive elements, stimulating their creativity and providing a calming space for sensory play.

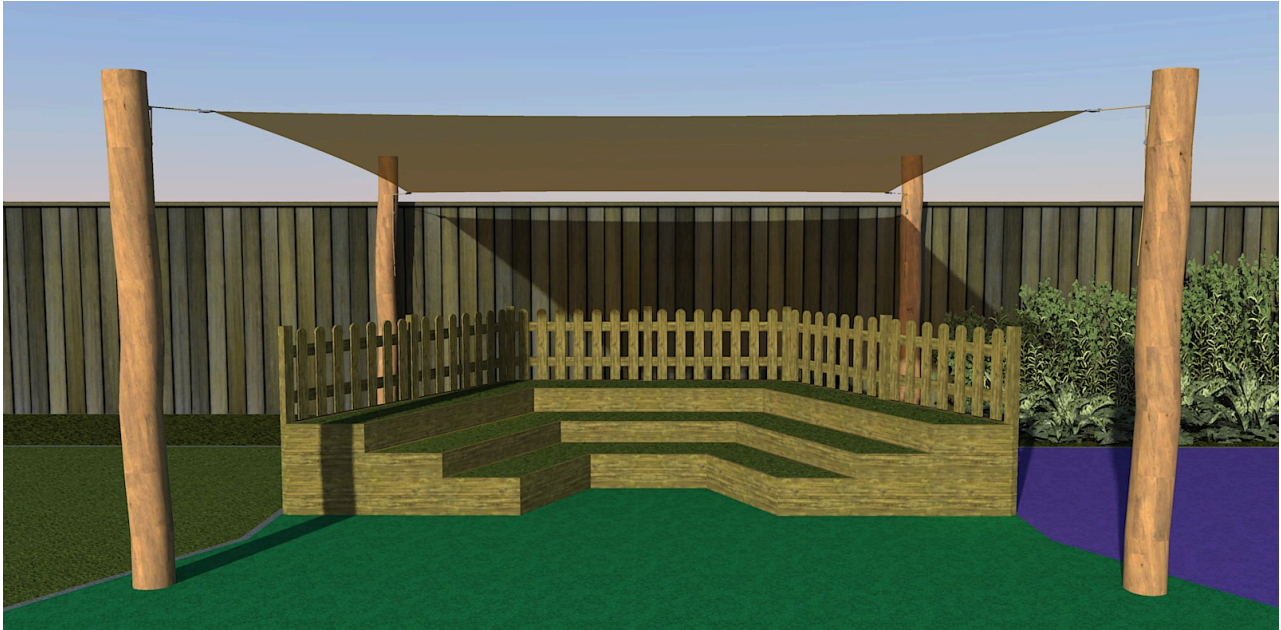

Imaginative Play

Creative markings on the surface will encourage imaginative games, fostering teamwork, problem-solving skills, and even cross-curricular links through playful learning.

Amphitheatre

The addition of an small amphitheatre will offer a comfortable seating area for those who prefer a quieter break, while the canopy overhead will provide much-needed shelter from the elements.

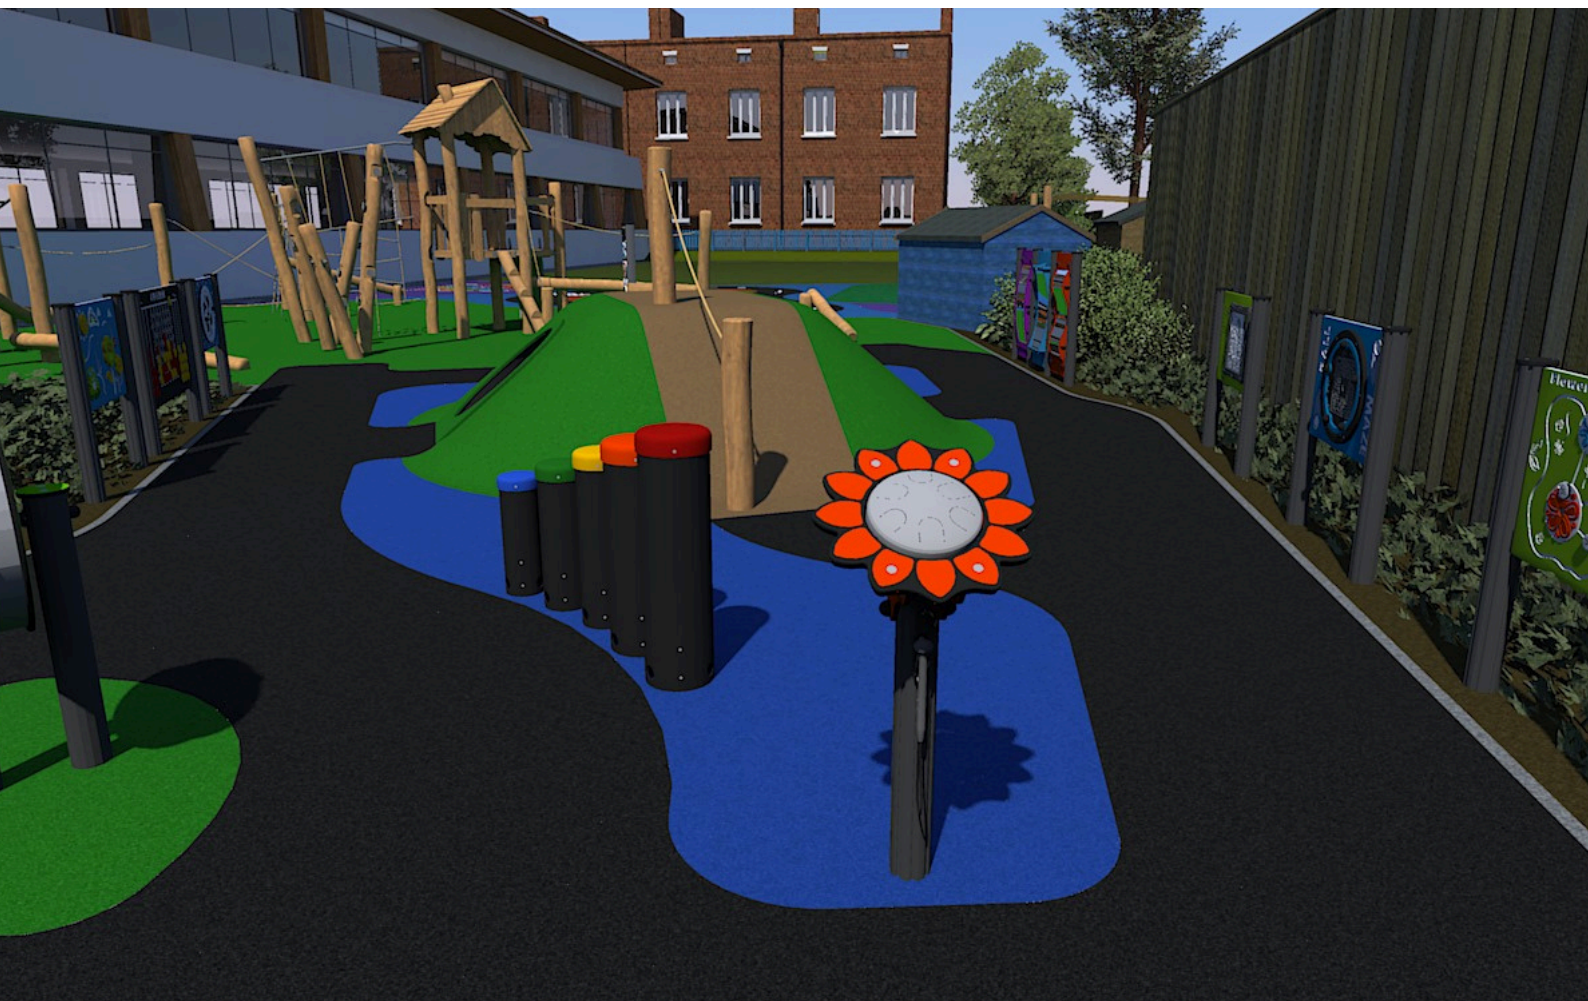

Play Area

A lively open space perfect for ball games, running and carefree fun - designed to spark joy and active play for everyone.

We are confident that this vibrant and inclusive space will enhance every child's school experience, offering opportunities for adventure, exploration, and creativity.
